

Georgia

Georgia

This classic chesterfield design sits proudly on its beautifully turned legs and is so inviting with its sumptuous seating and feather scatter cushions designed to create the perfect space for relaxation. Its clean lines work well with classic or contemporary fabrics, making the Georgia equally appealing in a modern or traditional setting. Each piece is individually hand cut and then tailored by a single bench trained craftsman and accurately lock stitched by our quality-trained seamstresses to produce an attractive, luxurious and contoured piece of the finest quality. The model consists of hardwood frame glued, screwed and doweled; full coil mesh top spring unit throughout.

A choice of cushion interiors are available, from sumptuous Dacron®, luxurious duck feather or strata reflex foam. Scatter cushions are duck feather as standard with the option of fibre.
