Henley

The intricately flowing arm detail and beautifully contoured back shape of the Henley, combined with the sumptuous luxury of the deep filled seat and back cushions, offers both style and comfort from a classic design that sits comfortably in any sitting room. Each piece is hand crafted in the time-honoured fashion that has made Long Eaton a centre of excellence for handcrafted upholstery for generations. Each piece is individually hand cut and then tailored by a single bench trained craftsman and accurately lock stitched by our quality-trained seamstresses to produce an attractive, luxurious and contoured piece of the finest quality. The model consists of hardwood frame glued, screwed and dowelled; full coil mesh top spring unit throughout. A choice of cushion interiors are available, from sumptuous Dacron®, luxurious duck feather or strata reflex foam. Scatter cushions are duck feather as standard with the option of fibre.
