# Burlington

Clean-lined and contemporary, the Burlington creates impact from any angle. The Ash wood base contrasts with the upholstery to help create a skilful blend of function and luxury. Each piece is hand crafted in the time-honored fashion that has made Long Eaton a centre of excellence for handcrafted upholstery for generations. Each piece is individually hand cut and then tailored by a single bench trained craftsman and accurately lock stitched by our quality-trained seamstresses to produce an attractive, luxurious and contoured piece of the finest quality. The model consists of hardwood frame glued, screwed and dowelled; full coil mesh top spring unit throughout.

A choice of cushion interiors are available, from sumptuous Dacron®, luxurious duck feather or strata reflex foam. Scatter cushions are duck feather as standard with the option of fibre.
