# Medici

The Italian influence on this beautiful hand crafted and opulent piece is instantly apparent. Individually hand cut and then tailored by a single bench trained craftsman and accurately lock stitched by our quality-trained seamstresses to produce an attractive, luxurious and contoured piece of the finest quality. The model consists of hardwood frame glued, screwed and doweled; full coil mesh top spring unit throughout.

A choice of cushion interiors are available, from sumptuous Dacron®, luxurious duck feather or strata reflex foam. Scatter cushions are duck feather as standard with the option of fibre. Alternative frame finishes are available from our Italian show wood gallery.
