Renoir

The classically designed knole has a gently relaxing style of her own. The flowing design and attractive continuous roll that contours gracefully around the back of each piece help the Renoir pride herself as one of the most attractive classic knoles available. Each piece is individually hand cut and then tailored by a single bench trained craftsman and accurately lock stitched by our quality trained seamstresses to produce an attractive, luxurious and contoured piece of the finest quality. The model consists of hardwood frame glued, screwed and dowelled; full coil mesh top spring unit throughout. A choice of cushion interiors available, from sumptuous Dacron, luxurious duck feather or strata reflex foam. Scatter cushions are duck feather as standard with the option of fibre.
