# Bellagio

Truly aspiration, the pure elegance of bellagio is in-spring. This sophisticated knole has combined art and luxury to create immediate impact. Artistically tailored by a single bench trained craftsman, individually hand cut and accurately lock stitched by our quality trained seamstresses to produce an attractive and luxurious piece of the finest quality. The model consists of hardwood frame, glued, screwed and dowelled; full coil mesh top spring unit throughout. A choice of cushion interiors available, from sumptuous Dacron®, luxurious duck feather or reflex foam. Scatter cushions are duck feather filled as standard with the option of fibre. Alternative frame finishes available from our show wood gallery.
